## CONFERENCE SPONSORS

The 2025 ACCE Biennial Career Conference supports best practice professional development, networking and knowledge exchange to support members, professional educators and career practitioners in their work.

We thank our 2025 conference sponsors:

- Deakin University
- Department of Education, Victoria

To find out more about the conference, visit [www.acce.org.au](http://www.acce.org.au) or contact our conference team at [events@acce.org.au](mailto:events@acce.org.au)

The Australian Centre for Career Education ACCE is a founding member association of the Career Industry Council of Australia. Now in our 50th year, ACCE was established by the Department of Education in 1975 to train career teachers to support student transitioning following the introduction of the work experience legislation.

ACCE trains career practitioners through its CICA endorsed Graduate Certificate and Certificate IV qualifications in career development practice and is a career demonstration organisation delivering over 40,000 career interventions each year.
