Your **Planner** gives you an overview of the subjects, post school options and careers you have been thinking about.

What subjects did you choose to study for year 11/12? List these in the table below:

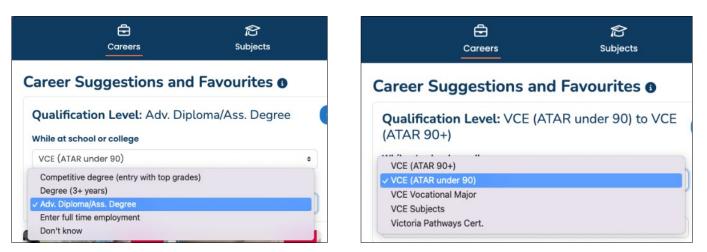

5

Do they differ from the list in your plan? Why/why not?

You might like to review your list in your Morrisby profile so that it reflects your actual study program.

6 Now that you are in your senior years of schooling, you have probably given some thought to your **post school options** and what might be best for you, keeping in mind that different occupations have different entry requirements. Review the list of **Careers you have shortlisted in Favourites**.

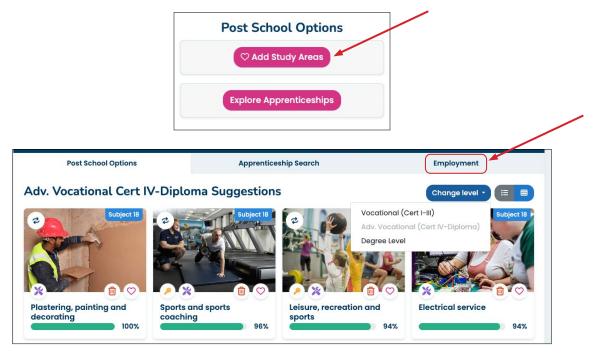

Are you still interested in exploring these careers? **Expand** or **refine** your list as necessary. Try setting the **change your qualification level** to include your senior years program and what you plan on doing when you transition from secondary school.

Explore your **Post School Options** and **Add Study Areas** and/or **Apprenticeships**. If you are interested in exploring a School-Based Apprenticeship or Traineeship, contact the Head Start coordinator in your school. You can interact with the level of qualification according to your career goals.

Look for the following symbols on the suggestions in your list. They might help you decide on some **post-school options** to explore further.

Don't forget that you can also use the search function if you can't see an option you're interested in.

If you're thinking about apprenticeship pathways, conduct a search on the industry that you are interested in using the 'Your Career' website link. Ask your teacher for help if needed.

You can speak with your Head Start coordinator about starting a School-based Apprenticeship or Traineeship (SBAT) while you are still at school.

Complete the table following your search of Your Career.
