

Enhanced My Career Insights – EMCI

Student Information Flyer

What is the EMCI Program?

The EMCI Program allows you to have one-on-one sessions with a Career Consultant to discuss and plan for your future career.

Across 4 or more sessions you can re-visit and review your Morrisby profile to identify your skills, strengths and interests. If you have not completed your Morrisby profile your Career Consultant can help with that.

How can the EMCI program support you?

The Career Consultant will work with you to achieve some or all of the following:

Create or update your resume

Set career goals

Review & update your Career Action Plan

Investigate VCE, VCE-VM and VET

4 or more sessions with a Career Consultant to review your Morrisby profile to help identify your skills, strengths and careers interests

Use your career interests to explore work experience

Identify opportunities for part-time work

Listen to guest speakers from industry

Practice for Interviews

How can you participate in the EMCI Program?

Your school will nominate selected students to participate in the EMCI program. If you are interested in working with a Career Consultant please see your school career practitioner.

Parent/Guardian Consent

Parent/Guardian consent is required for you to participate. Please complete the consent form and return it to your school as soon as possible. Verbal consent can also be provided over the phone to a relevant school staff member. Once consent has been gained your school will refer you to the Careers Consultant for a meeting.
